

BLISS Events & Wedding (Thailand) is a professional events management and wedding planning company based on the islands of Koh Samui and Phuket specializing in destination events all over Thailand.

Established in 2012 by a young and energetic team with extensive experience in events management at luxury hotels and in managing weddings, BLISS Events & Wedding (Thailand) is a dedicated events planner who's team is ready to take care of every aspect of your event.

The attention to details, enthusiasm and positive attitude of our experienced team will ensure your event will leave a lasting impression for you and your guests.

Thailand offers hundreds of pristine beaches on lonely islands and beautiful mountain spots to choose from for your wedding. Its hospitality industry has won worldwide acclaim for its services handling every request with a smile.

The best way to ensure an event proceeds flawlessly is to hire a professional team with the right attitude. The role of every team member is to take the stress off you by managing the infinite number of decisions that go along with any event.

Our events are "Picture of fun", so please leave your hassles with us and just remember and enjoy the moment in time, a life time to remember.
